Description :

PDF-0f2ff | How do we know if we're following our true callings? How do we sharpen our senses to cut through the distractions of everyday reality and hear the calls that are beckoning us? is the first book to examine the many kinds of calls we receive and the great variety of channels through which they come to us. A calling may be to do something (change careers, go back to school, have a child) or to be som... *Callings: Finding and Following an Authentic Life*
