Facilities Planning PDF

by James A. Tompkins : **Facilities Planning**

ISBN : #0470444045 | Date : 2010-01-19

Description :

PDF-26606 | When it comes to facilities planning, engineers turn to this book to explore the most current practices. The new edition continues to guide them through each step in the planning process. The updated material includes more discussions on economics, the supply chain, and ports of entry. It takes a more global perspective while incorporating new case studies to show how the information is applied in... *Facilities Planning*
