Description :

PDF-efc95 | The Great Game of Networking will help anyone from any experience level be more confident, more effective, more professional, and more successful at networking. As implied by the title, the author believes networking, and business in general, should be fun, and that what keeps it from being fun is often a lack of the skills needed to "play" at a professional level. It approaches what many consider... *The Great Game of Networking: Simple, fun, actionable strategies for becoming a networking all-star!*
