Description :

PDF-05385 | The Internal Revenue Code of the American government is badly broken. Its more than seventy-seven thousand pages have created a tax system that is not understood by the businesses and individuals that must abide by it. Perhaps even worse, it is also not understood by either the Congressmen who wrote it or the Internal Revenue Service that is supposed to enforce it. What originated as a system for ... *Sensible Tax Reform: Simple, Just and Effective*
