Description :

PDF-e661d | The IT management profession is not for the faint of heart. Anyone who has worked in this field is familiar with the unique (and borderline impossible) challenges of keeping pace with technological innovation while maintaining legacy systems, reskilling existing staff members and operating on shrinking budgets. Truth from the Trenches passes on the hard-won leadership lessons that six-time CIO Mar... *Truth from the Trenches: A Practical Guide to the Art of It Management*
